International workshops to inspire young Nurses and multi-disciplinary researchers across the globe

Faculty Exchange Programme

OBJECTIVE OF SFNP

The major objective of SFNP is to offer quality education and resources to the professionals from nursing & several sub-specialities and create awareness on the progress of various facets of nursing and healthcare research.

- ✦ To collaborate with Universities/Institutions to identify researchers and innovators in nursing practices and related disciplines at grassroot level and to bring them at a global platform.
- ✦ To promote professional development opportunities and focused scientific initiatives that facilitate increased progress and enhanced cutting-edge contributions to nursing practices and healthcare research.
- ✦ To organize training programs and conferences with an aim to bring nursing & medical professionals, students and researchers under one umbrella so their ideas can be synergized and enable them to become future leaders of the profession.
- ✦ To promote leadership among members while abiding the highest professional and ethical standards.
- ✦ To establish, maintain and expand national & worldwide network of multi-disciplinary team of professionals and address issues of importance in areas of nursing practice, education, research, administration and policy.

OUR VISION

- * Inspiring excellence through innovative training programs and strategic professional relationships.
- * Advancing scientific knowledge and resource for networking, education, and dissemination of research, exciting progress on a wide variety of issues, practice-based and translational research with significant focus on collaborative partnerships.
- * Capitalizing on our spirit to improve nursing practices & research and education worldwide.

OUR MISSION

- * To uphold our social responsibilities of delivering highest standard training, research and development to advance the nursing profession, promote the wellbeing of nurses, and advocate for health in all policies without compromising on our core values of integrity, good ethics and commitment.
- * SFNP strives to become an expert in organizing conferences, summits, seminars and workshops with resourceful and nonpareil speakers throughout the world.
- * To promote and encourage research in nursing practices with up-to-date topics and association by assuring high quality standards through excellence in technology based on world-class research and development.

OUR VALUES

- * SFNP recognizes the importance of ethical behaviour and integrity and will guide the future for better development by ensuring the principles of integrity, continuous learning, innovation and leadership.
- * The core values of SFNP are Innovation, Ensure Quality, Research & Development, Continuous Improvement, Ambition to succeed, Collaboration and Teamwork.

SCOPES AND OPPORTUNITIES

Connecting with Experts and Scholars from Multi-Speciality Nursing Professionals, Clinicians, Research scholars and Postdocs

Global platform to convey recent developments with the goal of pursuing research towards leading resource in nursing research and academic practice

Platform to engage in exciting event format and multiple conference tracks. Share experiences, insights and strategies in interactive peer to peer round tables

Provide access to the latest national and international updates in a crisp and a defined format in Nursing Practices & Research

Publication of research work that contributes significantly to further the scientific knowledge and elevate the nursing research globally in SCI/ESCI/SCOPUS/WoS/UGC/Google Scholar Indexed Journals

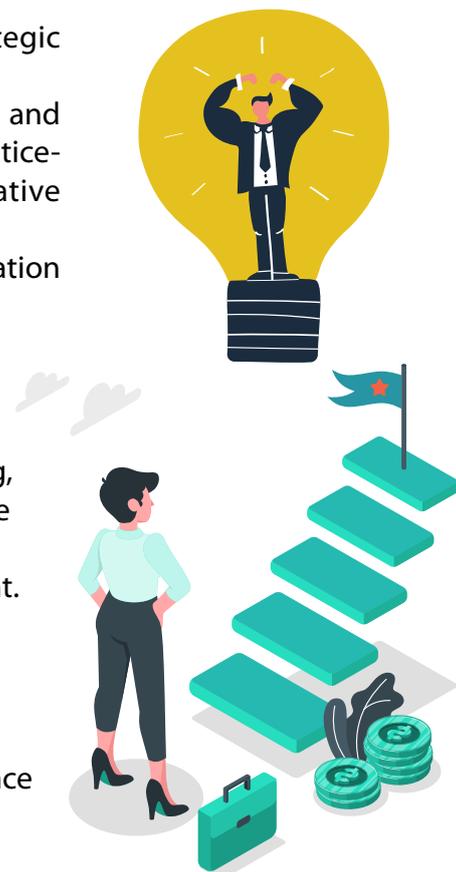

Organizes international conferences, training programmes, seminars, symposia and workshops, updates on latest technology on various facets of Nursing Practices & Research

Access to senior-level executives and tremendous networking opportunities to meet leading international Oncologist across disciplines

Offers unique resources for innovation and advancement in nursing and includes a broad variety of fellowship opportunities, scientific meetings, publications and resources

Serve as an Information Transfer platform and Nursing Education of vastly updated, relevant material to a broad audience

Awards for best paper and poster presentations
